Medical Missions for Church Planting	Tom Kendall	ABWE	Ministry	FMA	This workshop will explore how medical missions facilitates church planting to accomplish the task of making disciples as Jesus commanded us. Learn how medical ministry not only serves as a natural platform for evangelism and discipleship through a holistic ministry approach, but also furthers the reach and success of non-medical missionary church planting endeavors."
Medical Missions and Refugee Ministry	Greg Kingry	BMW	General	LH	Unrest and disaster in our world have increased the number of refugees in numerous locations. Refugees need medical and economic assistance. Often, they are also willing to receive spiritual care. Learn how holistic ministry is opening hearts to the gospel among refugees in Mozambique, and how you can make disciples among displaced peoples.
Accessing Restricted People Groups Through Medical Mission Teams	Jack Mitchell	GFA	General	Sc137	Estimates are that there are still nearly 3 billion unreached peoples in our world. Reaching these people with the gospel presents many challenges and often requires creative efforts. Medical mission initiatives often can be used to gain access to regions of the world typically closed to traditional mission outreaches. Through medical missions, the love of Christ is tangibly demonstrated and boldly preached.
Update on Hope Christian Center (Ivory Coast)	Bernard Kadio	BJU	General	SH	Last year's Bible Conference offering was spectacular. Students rallied together make a difference for disadvantaged people in the West African nation of Ivory Coast. Dr. Bernard Kadio will give an update on the progress of Hope Christian Center and explain how your investment is serving others.
The Business of Medical Missions	Annette Williams	ABWE	Business	Lec A	Effective business administration facilitates the work of missionary healthcare professionals by allowing them to focus on their primary ministry to patients. This workshop will explore how those who have training in financial and resource management, operational leadership and, yes, even marketing, impact the day to day functioning and gospel outreach in medical missions.
Medical Missions and Education	Ron Washer	ABWE	Education	Lec B	Medical missions involves missionary families with missionary children. From serving in local Christian schools, to assisting with homeschooling, to teaching in missionary boarding schools, teaching ESL to local hospital staff, helping pastors learn English to take advantage of the many English tools available, assist in local Christian schools. Opportunities abound for teachers to serve in missionary settings. Learn how missionary teachers enable medical missions.
Medical Missions – Not Just for Medical Professionals	Bradley Edmonson	MMO	General	Sem 113	The Luke 9:2 Principle - Known for love, characterized by compassion, directed by the Gospel. Sent different directions with different personalities and gifts but with the same mission. Can medical missions be effective, ethical, and evangelistic at the same time? This is Gospel furtherance we all can participate in- without being the doctor. This is Gospel furtherance we can appreciate- when done right.
